**Subject:** Our economy needs your support

Please reject any cleanup plan that doesn't respect the harbor's important role in our economy.

I am all for a clean river. We all enjoy visiting the parks and trails near the Willamette. But I also know that the river helps produce millions in wages for people and companies who work in the Portland harbor. Please be sure that your plan is good for them, too.

Please do what's right for Portland, our environment and our jobs.

Sincerely,

(b) (6)
